

## WASH Campaign

The Wash Campaign 2016 of the Vanuatu Wash Sector is a complete cross media campaign about Water Sanitation and Hygiene for which I have designed many useful objects (no paper waste, no plastic) to be distributed all over the country. The Music which is shared for free is by Confliction, filmed and edited by Nickyatu Kuautonga and produced by Matthew Hardwick. The Website was put together by Hunter Sizemore who also coordinated over all public presentation.

This campaign was funded by Unicef, coordinated by Adra in collaboration with Ministry of Land & Natural Resources, Ministry of Justice, Ministry of Health, Ministry of Education, National Advisory Board. With the support and work of Croix Rouge française du Vanuatu, Save the Children, World Vision, Red Cross, Oxfam, Live and Learn.
